BRAND GUIDELINES

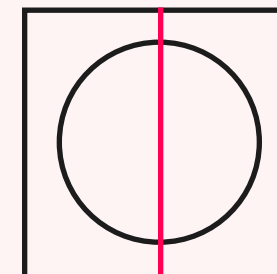

The Modern Apothecary

SECTION 01

Structure & Calm

Aether™ was born from a desire to strip away the noise. We realized that skincare isn't magic; it is biology engineered with elegance.

We exist to provide transparency, potency, and a visual language that feels as calm as it is effective.

Visual Identity System

SECTION 02

Primary Logotype

// CONSTRUCTION

The primary mark is a high-contrast serif logotype. It is grounded, precise, and uncrowded. Use for all main headers and packaging.

Secondary Logotype

// THE MONOGRAM

The 'ae' ligature represents the binding of Science and Nature. Used for social avatars, favicons, and embossed caps.

Usage: When vertical space is limited or a stamp-like mark is required.
