PROFESSIONAL SUMMARY

Recent Design and Artificial Intelligence graduate specializing in visual communication, UI/UX design, and 3D visualization. Proven track record in bridging creative direction with technical execution, combining advanced graphic design skills with frontend development capability (React, TypeScript, HTML/CSS). Adept at managing end-to-end design assets, digital campaigns, and interactive storytelling.

SKILLS

- **Design & Media:** Blender (3D Simulation & Rendering), Figma, Adobe Illustrator, Procreate, UI/UX Prototyping, Affinity.
- **Web & Tech (Bonus Skills):** HTML, CSS, JavaScript, TypeScript, React, Three.js.
- **Core Competencies:** Campaign Strategy, Graphic Layout, Brand Identity, Cross-functional Collaboration.

EDUCATION

Singapore University of Technology and Design (SUTD) | *Graduated May 2026*

Bachelor of Science in Design and Artificial Intelligence

Nanyang Polytechnic | *Apr 2019 - Mar 2022*

Diploma in Chemical & Pharmaceutical Technology (Director's List)

WORK EXPERIENCE

GXS Bank | *Product Design Intern* | *Sep 2024 - Jan 2025*

- Designed and implemented a cohesive library of custom icons for diverse financial portfolios, maintaining strict alignment with visual identity guidelines.
- Crafted and refined UX microcopy for the mobile application to optimize user clarity and maintain a consistent brand voice across digital customer journeys.
- Synthesized user research into actionable insights to help the design team prioritize feature improvements.

PROJECTS

The Keepsakes | *Interactive 3D Web Applications*

- **Visual Design:** Conceptualized and built interactive digital showcases utilizing Figma for wireframing and UI layouts.
- **3D Modeling:** Developed custom 3D models and integrated them into responsive web layouts using React Three Fiber and Three.js.

CAYRA (Product Redesign & Visualization) | *Sep 2025 - Dec 2025*

- Utilized Fusion 360 and Blender to engineer and simulate a functional product redesign, optimizing structural layouts and creating realistic usage simulations for visual evaluation.

CO-CURRICULAR ACTIVITIES

SUTD Rotaract Club | *Community Service Director* | *Feb 2023 - Feb 2024*

- Spearheaded the planning, budget tracking, and execution of diverse community events, managing partnerships with external organizations.
